Note: The data contained in this report has been reported to FederalReporting.gov, and represents the most current information. This report summarizes Quarterly Job Count activity.

ARRA financial data is calculated on a cumulative basis, while ARRA job figures are calculated on a quarterly basis. Note: Dividing Recovery Act money expended by the number of jobs created or retained does not provide an accurate cost-per-job-figure.

ⁱ The Office of Management and Budget (OMB) revised the ARRA job calculation formula after the 3rd Quarter 2009 reporting period. As a result, job figures are not reported cumulatively.

ⁱⁱ Two of the awards received by the Department of Administration were for State Fiscal Stabilization Funds (\$72,178,069 went to the Department of Corrections. \$324,404,728 to the Department of Education and the Nevada System of Higher Education (NSHE)).

ⁱⁱⁱ Nevada received an Education Jobs Grant of \$ 84,341,093 on 8/30/2010. The purpose of the Education Jobs Fund is to provide assistance to States to save or create education jobs. Jobs funded under this program include those that provide educational and related services for early childhood, elementary, and secondary education are noted in Administration.
